Up to the 25th of this month there were two candidates for the position in Page County, and on that day, a primary was held in the county and the democracy by their votes decided by a majority cast in my favor, that I was their choice for the position. I have held public office before, and my record is before the people and upon it I stand, always ready to give the reason for my attitude upon all public questions, and to that record the people are referred as I have nothing to conceal.

I elected, I can only promise to give the best of my ability to the people, and to faithfully discharge the duties of the interests of the position, seeking always to promote the public good, and to advance the interests and prosperity of all people. Of course my candidacy is subject to the determination of the democracy of the district, at a primary to be hereafter fixed. If another candidate should be announced. It will be my pleasure, as far as I can, to be acquainted with my views upon all public questions, pertaining to the administration of the business of the State.

Very respectfully,
R. S. PARKS.

NATURE'S GREAT BLOOD TONIC Piedmont-Bedford Concentrated Iron & Alum Water

(Representing the Famous Bedford Alum & Iron Springs of Va.)

contains 17 of the most powerful Mineral Tonics.

An 18-oz. bottle contains all the minerals in a barrel of the average water. We furnish the minerals, you furnish the water.

We have certificates both from the public and from eminent physicians, telling of its virtue in **Dyspepsia, Rheumatism, a large variety of Female Diseases, Chronic Diarrhoea and Dysentery, General Debility, Anaemia, Malar, a Ulceration of the Throat, Diabetes, Piles, Chronic Eczema, Nervousness, Chronic Constipation, and many showing the wonderful cures in that dreadful disease, Scrofula.**

Dr. T. L. KANLER, for fifteen years a resident at the Springs, says: "For Scrofula, that fearful destroyer of human health and happiness, we have in this water a remedy which neither science nor fortune accident has hitherto found an equal. It is in this malady, and some forms of secondary and tertiary Syphilis, that this water when carried to its full alternative effect, displays its highest curative powers. In all forms of disease peculiar to females, this water will be found to exert a curative influence second to none in Virginia."

I have given your Concentrated Water a fair trial, and say with pleasure I have been greatly benefited. For some years I have suffered more or less with Indigestion, followed by Constipation and other attendant ills. I have been under the control of my bowels; but now I am happy to state that I have improved in strength and vitality; have eaten what I have not dared to do for a long time, and have done harder work than I have been able to do before for years.

REV. OSCAR LITTLETON,
Presiding Elder, Lynchburg, Va.

Since 1894 I have been afflicted with Chronic Diarrhoea. About six months ago I commenced using your Concentrated Iron and Alum Water with the most wonderful and satisfactory results. For three or four years past I have been deprived of the privilege of visiting friends or going to church, as my trouble kept me in constant apprehension, having lost almost entirely the control of my bowels; but now I am happy to state that after using about a half dozen bottles of your remedy I am entirely cured, not having used any for the last four months. I can confidently and most gladly recommend your remedy for Chronic Diarrhoea.

CAPT. RUFFS AMIS, Virginia, Va.

I was an intense sufferer for some months with Indigestion, and could get no relief from the ordinary remedies. During the month of January I began the use of your Concentrated Water, and one bottle has entirely relieved me. I can now digest any diet and am entirely free from suffering. I take great pleasure in giving this testimonial.

REV. H. M. BLAIR,
Editor N. C. Christian Advocate,
Greensboro, N. C.

I have used and prescribed waters from several Iron and Alum Springs, but none of them begin to come up to your Concentrated Water in all that goes to make the ideal alternative, strengthener, appetizer and restorative. It is at once a fine tonic and flesh-builder. Have advised several recently to try it, and always with fine and quick results. In January I had a bottle sent from one of your dealers to try, with the understanding that if it did not at once
